### Scope Note and Content:

This small ephemera collection incorporates a wide variety of material, in a range of formats. Primarily this collection consists of personal correspondence, business cards and event programs, but it also includes a few newspaper articles and a tax notice.

Most of the material in this collection which lists a location is from Paterson, with a few of the business cards being from New York City. Specifically mentioned Paterson locations are the Alexander Hamilton Hotel, Paterson High School and the Methodist Episcopal Church in South Paterson.

People referenced in this collection include members of the Johnston family, particularly W.S.B Johnston, the Holden family, the Edwards family, Dr. B.T. Read and George Hillard.

### Series:

Related through the donor, all of the material in this collection has been kept together, despite its varied topics and formats.
