Photographic Reproduction Policy

As part of its mission, The Passaic County Historical Society provides reproductions of items from its collections for personal or research use. If a image is to be reproduced in any type of publication, CD-ROM, broadcast, exhibition, website, etc., written permission is required. Reproduction and Use fees will be assessed. **Using a reproduction of an image from the Society's collections without the Society's official written permission is illegal.**

The Passaic County Historical Society is a private, 501-C-3, not-for-profit organization and is largely dependent on non-governmental sources, including contributions, investment income, royalties, and other revenue or operating funds. To make possible the continued growth of the Society's collections, use fees help offset the costs of acquiring, cataloging and preserving the materials.

Terms of Use for Historical Images

Please read the following before purchasing a historic image for personal or commercial/non-profit use. When you complete the purchase of a Passaic County Historical Society image you agree to these terms of use:

- If an image is to be used solely for non-commercial, personal or research purposes, a statement must be signed to this effect.
- Permission to use the Society's images must be applied for in writing, including details about how the images will be used. Requests for images should be as specific as possible. If a request is extremely general, a search may be performed at the discretion of the staff. The staff of the Society reserves the right to refuse requests for any reason.
- Images may not be reproduced for purposes other than that agreed upon by the Society.
Images may not be re-sold or transferred.
- The images obtained from the Society may not be altered or manipulated beyond the requirements of normal image enhancement or cropping. Nothing may be done to change the integrity of the images. The images may be stored electronically for this use only. Images may be downloaded to a printer by the user for individual use only, **not for re-sale.**
- Images may be used on-line only at the discretion of the Society. Scanning must be at a low resolution (72dpi) to prevent the printing of high quality copies. Images may be used at a specified site only. Transmitting images to another site without the knowledge or permission of the Society is prohibited. All applications for use of PCHS material on social media platforms (such as Facebook, Pintrest, Youtube, Instagram and Twitter) are prohibited. Fees and conditions of reproduction apply equally to internet use.
- The Society requests that at least one copy of any publication containing reproductions of its photographs be presented to the Society without charge.

Copyright

The Passaic County Historical Society does not own the copyright to most images in its collections. It is your responsibility to determine whether your proposed use violates copyright, and if so, to obtain permission from the copyright owner. In some cases, we have written agreements with copyright holders. In others, copyright has lapsed. Often, it is not clear who owns copyright. You, the user, are legally liable for complying with the provisions of the law. **COPYRIGHT RESTRICTIONS: Material may be protected by copyright law (Title 17 U.S. Code).**

The Society does not offer exclusive rights to any user, publisher, author, or photographer, and assumes no responsibility for duplication of subjects by others or any responsibility for claims by third parties.

In consideration of the Society's furnishing of an image, the publisher/user agrees to defend, fully indemnify, and hold harmless the Society or its employees from and against any and all claims, actions, liabilities, expenses, losses, or damages (including but not limited to any based on libel, slander, or on rights of privacy, or of publicity, or on infringement of copyright or other literary or artistic rights claimed by others, irrespective of whether such claim arises out of any act or omission of the publisher/user, or any act or omission of any independent contractor having a contract with the publisher/user) including reasonable attorney's fees, arising out of the use, publication, distribution, exhibition, or dissemination of any or all said photographs by the publisher/user or his or her agents or employees.

Credit

All photographic and other reproductions are to carry the credit line of the Society. This credit line should read:

Courtesy of The Passaic County Historical Society, Paterson, NJ

If the image is part of a special collection or if the photographer's name is known, that information must appear as well.

Fees

- **Reproduction and usage fees are not negotiable.**
- Use fees are charged for non-exclusive, one-time use of public domain and copyrighted material. Payment is due before any materials may be reproduced. Reproduction and processing fees apply to both commercial and non-commercial use.
- Any subsequent commercial use or reuse must be applied for in writing. Reuses will be charged a discounted fee.
- Please note that Use Fees are in addition to Photographic Reproduction and Processing Charges.

I have read these conditions and understand them. I agree to comply with the above. I understand that commercial rights are given for one-time use only. I agree to pay all photographic reproduction, processing, and use fees.
